THE ADJUSTABLE STEADY ROLLATOR CARRIER

The Steady Rollator Carrier is for those with an active lifestyle! We've made our carrier easy for you to use whether you're on vacation with family and friends, at the mall, grocery shopping, or a day out on the town.

**It's as easy as
1 - 2 - 3!**

The Steady Rollator Carrier is the most convenient way to take your Rollator Walker with you wherever you go.

The Steady Rollator Carrier is made of steel tubing and stainless steel hardware and weighs less than 9 pounds.

The carrier is adjustable from 19" to 26"

You no longer have to choose between carrying your Rollator Walker, your passengers, your groceries or your luggage.

**The Steady
Rollator
Carrier
Solves the
Problem!**

The Steady Rollator Carrier allows easy and secure transportation on cars, trucks, vans, SUVs, ATVs, golf carts, and even motorized scooters.

Adaptors are available to change the 1 inch receiver on most scooters to accommodate the Steady Rollator Carrier.
